smartvillage

FACTSHEET

smartvillage

Since its foundation in 2018, smartvillage has developed into the leading address for unforgettable events in Munich under the management of Lukas Koppitz and Gerd Krohn. Whether meetings, workshops or events - smartvillage offers you flexible room concepts for every need and every group size from 10 to 1000 people. Every year, the company inspires over 90,000 customers with unique event experiences.

About smartvillage

Each smartvillage location boasts an individual design and a unique motto, with a clear focus on sustainability. With upcycled furniture and climate-neutral certification since 2021, smartvillage sets standards for environmentally conscious venues. smartvillage also cooperates with partners who share the same values.

The smartvillage team is at your side from inquiry to realization with an outstanding user promise: You'll receive a response within an hour, support within a minute, and 100% fulfillment of promises are guaranteed. With smartvillage+, you also have the opportunity to book inspiring speakers and coaches for your event via our partners Speaker Boutique, teamgeist & Brainbirds.

You will be welcomed at our locations in Munich-Bogenhausen, Munich-Schwanthalerhöhe, Cologne and Berlin.
